Did you like this Cold Turkey Writer review? Feel free to leave your comments below. 2 comments: i love cold turkey! i use it on my laptop almost every day. i usually will just put in a set time of 5-10 mins to do the most i can in that time and then i have another 5-10 mins to do whatever i want. that helps me use the time really well. i would recommend it though in a quiet area and preferably with not too many people around. haha, i wanted to do work on one of my blogs but i was like, hey its cold turkey time!! haha. How to Raise Great Children: Another Review - randomwalker ===== jellicle > How do these mothers manage to stay focused even when it's hard to stop > feeding their kids? It's a game. Don't lose. Feed the kids. > One mother, a graduate of a premier private university and the mother of a > doctor, said the only way to raise children is to love them so much that it > takes over. Nope. Just feed the kids. > One mother, a college professor and a committed parent, said the problem > with busy parents is that the kids become dependent on them. Sometimes you just have to stop and let your kids realize that you're there for other reasons than just to drive them to stuff, to pick them up, to take them shopping. You are there to teach them, and sometimes they want you to do that. And sometimes, the best way to let them know that you care about them and want them to feel loved is not by giving them more crap from you. > How does a mother maintain a balanced life and not burn out? The mothers > said they make an effort to manage their time, but said they just can't > stop

## What's New in the Cold Turkey Writer?

LifeStraw is a re-usable water bottle that allows its user to drink clean water, even in the toughest of conditions. As the first patented plastic full-filler device, LifeStraw is the only plastic, affordable, full-filler that will save your life if you are stranded without clean water. There are no batteries or hoses to replace. No dead batteries. It's clean water for life. Water for life. In a survival situation, it can literally be your lifeline. The LifeStraw is perfect for hikers, campers, boaters, and anyone who spends time outdoors. It's rugged, durable, leak-proof, and self-capping so you can keep that precious water stored at your campsite or while on the trail. Simply fill the LifeStraw with water from any clean source, and it instantly filters and sanitizes the water to ensure you are drinking clean water. No batteries are required. Simply fill and drink. In a survival situation, it can literally be your lifeline. Available in two convenient sizes - 2.5 oz. and 5 oz. - the LifeStraw is compatible with up to 20 lbs. of weight. Since it is prefilled with filter-quality water, the LifeStraw also functions as a source of hydration that can sustain you for up to five days in the backcountry, or up to one month in a remote area. The LifeStraw has an inverted siphon design that ensures your drinking water stays safely inside the bottle. Why Us? PLOTX has a unique platform for building Brands.
